

Dear Customer,

Our suppliers have advised us of forthcoming changes in pricing for their products, which will be effective from the dates stated below. We make every effort not to increase costs, but we have no option but to pass these price increases on in full for all orders delivered on or after the below dates.

Please also be aware that whilst we endeavour to notify you of all significant increases in advance of the increase date, we may be informed of and apply increases which are not listed below because the supplier notified us too late for inclusion in this letter.

**April Increases** - Effective for all deliveries on or after the date specified below:
